HOW TO:

Choose a Private Lesson Coach – To find bio and contact information about our BCLFSC coaches, please go to our website at <http://braemarfsc.org/about/coaches/>. Observing the coaches during class time or on a Club Ice Session is another way to help choose the coach that would be a fit for your skater. Our Skate School Director/Head Pro, Kathleen Gazich at kgazich@EdinaMN.gov is also available to help facilitate this transition.

Contract for Ice Time – A club e-mail notification will be sent to members noting open registration times for ice contracting. Please contract during these times. Go to Entryeeze.com. Select Find Your Home Club. Type Braemar. Click Go To Club. Click on Access My Account. Sign In. Find the Contract Ice Tab. Click on Browse & Purchase. Review and Select Ice times. Go to Shopping Cart. Check out and Pay. **Troubleshooting** – if you've forgotten your login information, find an ice session is unavailable (most likely because the test level hasn't been updated by the Club) or selected the wrong ice sessions please contact our Administrator at infor@braemarfsc.org. Late fee: \$25.

Check-In For Club Ice – When arriving to skate on a club ice session, skaters must sign in to the ice monitor book (black binder at the entrance to the ice) and check their name. If your name is not listed, please write your name on the bottom portion of the page and note whether you are buying on to the session or you should be contracted.

Exchange a Club Ice Session – If a skater needs to exchange a club ice session, they should note this on their *originally scheduled session* and then write their name in the bottom portion of the session they are skating on making note of the date it is exchanged for. Club ice can be exchanged 7 days before or 7 days after the missed session.

Ice Monitor- Ice Monitoring requires a parent/guardian to volunteer to assist with checking skaters in for club ice and playing music for skaters on club ice. Prior to each ice contract session, a club e-mail will be sent with a Sign-Up Genius link for parents to sign up for required ice monitoring. Instructions for ice monitoring are in the ice monitor book at the entrance to the rink or online at <http://braemarfsc.org/join/membership/> under Ice Monitoring Duties and Music Playing Procedures.

Volunteer – Our Club is a Volunteer run non-profit organization. Although we have volunteer requirements in place, the club is always in need of extra help in many different areas. A parent or guardian may request more info about our opportunities in person to any Board Member or Head Pro or by email at info@braemarfsc.org Volunteer hours are tracked by the club through our Entryeeze member site using the volunteer check in sheets at our events.

Renew Membership –To renew membership, our skaters must use the Entryeeze member website. Go to Entryeeze.com. Select Find Your Home Club. Type Braemar. Click Go To Club. Login to your account. Go to Apply/Renew tab. Follow instructions.
